

## **I Have Passed This Way**

I have passed this way  
A thousand times  
I have walked the winding path  
I have reached the sky and the stars  
The dreams of all mankind  
The past, the present, the future  
Where time drifts in and out  
The want of love does all surround  
The sun, the clouds, the stars  
I have danced across the universe  
This music filled my soul  
On wings of a new tomorrow  
Where life is filled with hope  
Just close your eyes and dream with me  
Of all that is your reality
